

HOW WILL SUPPORTS PROJECT DEVELOPERS?

SUSTAINABLE COMMUNITY CARBON CREDITS

CONTRIBUTE, BECOME CARBON NEUTRAL OR ACHIEVE NET ZERO THANKS TO LOCAL AND COMMUNITY CARBON PROJECTS

- ✓ B Corp certified company | Solar Impulse | SME Climate Hub
- ✓ Carbon neutral company since 2007
- ✓ Community carbon credits | Canadians | VERRA verified

Hub for innovative access to the voluntary market and carbon finance.

The only group project of its kind in Canada! More than 850 ecological projects.

80% of carbon revenues returned to the local economy.

Premium Carbon Credits

About our carbon credits

At source: reduction of anthropogenic emissions.

Local: supports Canadian organizations.

Auditable: GHG reductions already achieved.

Permanent: long-term reductions.

Additional: regulatory surplus, innovative practices and reduced barriers to entry.

Synergistic: centralized, prioritized, innovative, diversified decarbonization.

Verified: all credits are VERRA verified.

Co-created: over 150 participating members.

Co-beneficial: impacts on Sustainable Development Goals 9, 10, 11, 12, 13, 17.

Testimony of one of our buyers

Saint-Hubert

« Thanks to Will Solutions and their support, we have transformed our fleet of delivery vehicles into a carbon-neutral business. It is thanks to the purchase of carbon credits that St-Hubert is once again able to position itself as a leader in the restaurant industry [...] »

Josée Vaillancourt,
Director, Communications and St-Hubert Foundation.
